Application for **The Erasmus exchange** at the University of Bremen

Very important! The application process has **TWO STEPS!**

1st Step: Application for the Erasmus exchange through the portal **„Mobility Online“**

2nd Step: Enrollment at the University Bremen through the portal **„Moin“**

One is for the Erasmus exchange itself, one for the University. You need both!

You will only be able to enroll if you have finished your Mobility Online application

Invitations to enroll will be sent to you via email after the application process

You will only get your Enrollment Certificate / Admission Letter after the Moin process

„Moin“ is the Enrollment portal of the University of Bremen – the 2nd Step in the process

- The International Office and Erasmus have no access to the database of MOIN, so if you have questions, you need to contact bachelor@vw.uni-bremen.de
- „Mobility Online“ and „MOIN“ are different databases!
- Deadline for enrollment is the **30th of September (winter semester) and 31st of March (summer semester)**
- If you are not completely enrolled by this date, you will not be able to study at the University of Bremen.
Applications will not be considered by the Student Office after that date.
- Please note:
 - the transfer/processing of the semester contribution might take up to 10 working days
 - the electronic notification procedure for the health insurance (ESMV) might take up to 2 weeks

After the application for visiting studies in MOIN has been checked by the Student Office, you will be notified by email and need to do **4 things**

1. Download the document “**Acceptance of Study Place**”, sign it and send a scan to the Student Office; email address: bachelor@vw.uni-bremen.de before the deadline(!)
Bring the original with you to Bremen.
2. Download the **Admission letter**
3. Pay the **Semester contribution** to the bank account stated in the admission letter (for this you have an **individual deadline and fee amount** stated on the admission letter!)
 - Make sure that you write the correct reference number **only**
 - It might take up to 2 weeks until the amount is credited to your account and ticked off in the checklist, especially with non-EU transfers (pay attention to the currency!)
 - It is **NOT** a semester fee, but a registration contribution and **also your public transport ticket!**
4. Prove your valid **health insurance** for the whole semester (!)

Health Insurance

Exchange students are required to have a valid health insurance that is equivalent to the German statutory health insurance for the whole duration of their stay.

EU-Nationals: The European Health Insurance Card (EHIC, CEAM) is accepted and should be applied for as early as possible if you do not have one already.

Turkish Nationals: TA11 forms issued by SSK (Sosyal Sigortalar Kurumu) are accepted as well.

Send a scan of your EHIC or TA11 to one of the German statutory health insurances on the campus (AOK or TK) to get it validated. The AOK or TK will then inform the University of Bremen via ESMV („Elektronisches Studierendenmeldeverfahren“) that you are sufficiently insured.

Contacts: AOK: studenten@hb.aok.de or TK: eu-studies@tk.de, university@tk.de

Contact in Bremen: Matthias.Kurzawski@tk.de

Health Insurance

- **Non-EU Nationals:** We recommend obtaining a German statutory health insurance. This will cost around 110 Euro per month and can be done online at one of the statutory health insurance companies (on campus e.g. AOK, TK, hkk)
- **Students over 30 years of age** need a private health insurance.
Private insurances might charge extra for accompanying family members.

Health Insurance

Health Insurance info for non-EU citizens who need a study visa:

- Foreign private travel health insurances (e.g. for visa application) are not accepted for the enrollment if they limit the cost coverage or the duration of validity.
- The statutory health insurance agencies on the campus (AOK or TK) will check the insurance cover of your travel insurance. If it is not sufficient, you will have to get the German statutory health insurance in addition to the foreign private health insurance.
- Statutory health insurance for students will start at the first day of the semester, i.e. on the 1.10 or 1.4
- In case of early arrival (e.g. for the orientation weeks) an additional private travel insurance for the time gap between departure from the home country and the first day of the semester (1.10./1.4.) is recommended

Access Data for University Account

- You will receive the access data for your Uni Bremen account(**@uni-bremen.de**) when your enrollment is completed
- Your enrollment is completed, when the Student Office has received:
 - Your scan of the form „Acceptance of a Study Place“ (send to bachelor@vw.uni-bremen.de)
 - Electronic confirmation of sufficient health insurance by either AOK or TK (ESMV)
 - The payment of your semester contribution as stated in your Admission Letter

Check in your account in MOIN if all items on the checklist are ticked off.

Access Data for University Account

- The activation code for your University account will be sent to you by the "Zentrum für Netze" (ZfN = IT services) as soon as the enrollment at the University of Bremen is completed
